Re: Consultation for Flathead County's Senior Center Community Development Block Grant

Dear MT Environmental Quality Council:

Flathead County has approval for a Montana Community Development Block Grant (CDBG) of \$437,459 from the Montana Department of Commerce. This grant will involve ADA improvements and general building upgrades at the existing senior centers in Whitefish, Columbia Falls, and Bigfork, MT. The project will also include ADA improvements to the building where Kalispell Senior Center's office space will be located, commonly referred to as the Adams Building in Kalispell, MT.

No new structures will be built as part of the project. The project will be limited to building and parking area improvements at the following existing buildings:

- Whitefish Senior Center, 121 East 2nd Street, Whitefish, MT
- Columbia Falls Senior Center, 205 Nucleus Avenue, Columbia Falls, MT
- Bigfork Senior Center, 639 Commerce Street, Bigfork, MT
- Adams Building/Kalispell Senior Center office, 1100 S Main Street, Kalispell, MT

We request that you review the enclosed data and notify us if there are any potential environmental considerations for this project that would impact the area in which you have expertise. Responses can be sent to Flathead County Grant Administrator, 800 South Main Street Room 302, Kalispell, MT 59901.

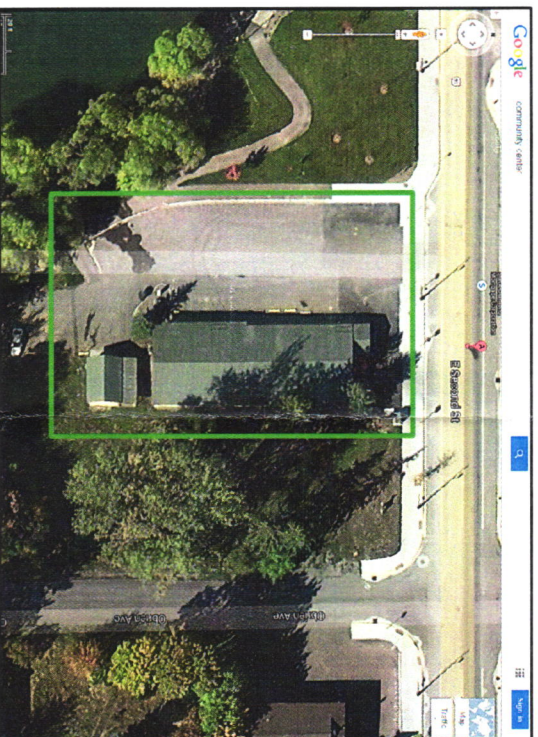

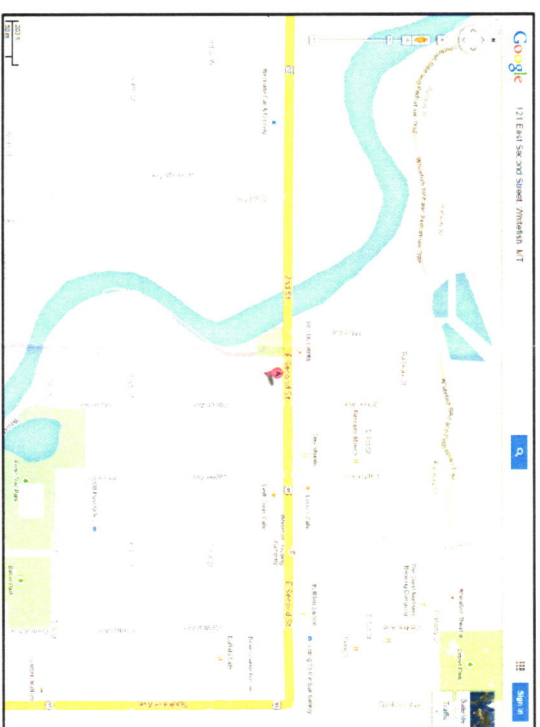

I am enclosing the following materials (aerials, maps, photos) that will give you a better understanding of the area and resources that will be affected.

If we do not receive a reply within 30 days, we will assume that you know of no properties or sites which are included in or eligible for inclusion in the National Register, which may be affected by the proposed undertaking. Also, if we do not identify any cultural property during our review process, we will proceed with the project assuming that cultural resources have been adequately addressed.

Sincerely,

Mark Mussman, CFM
Flathead County Planning and Zoning Director
Environmental Certifying Official

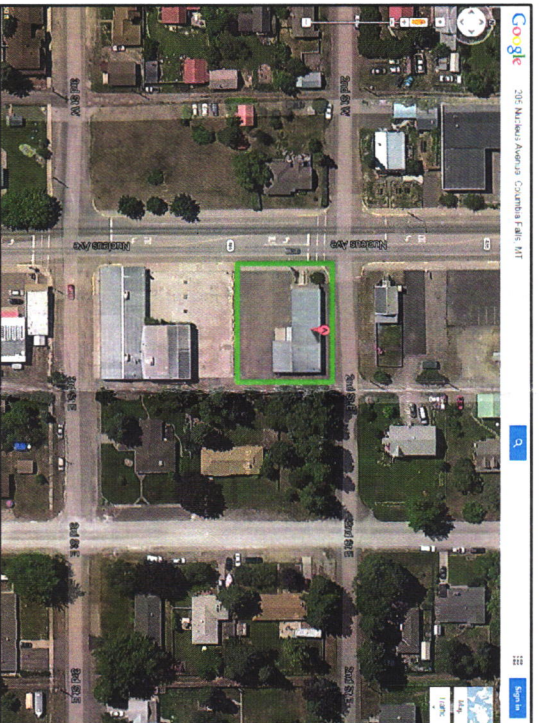

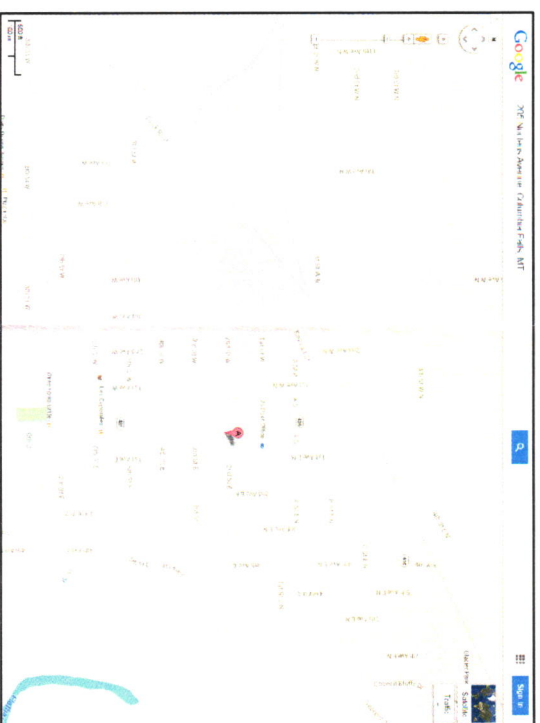

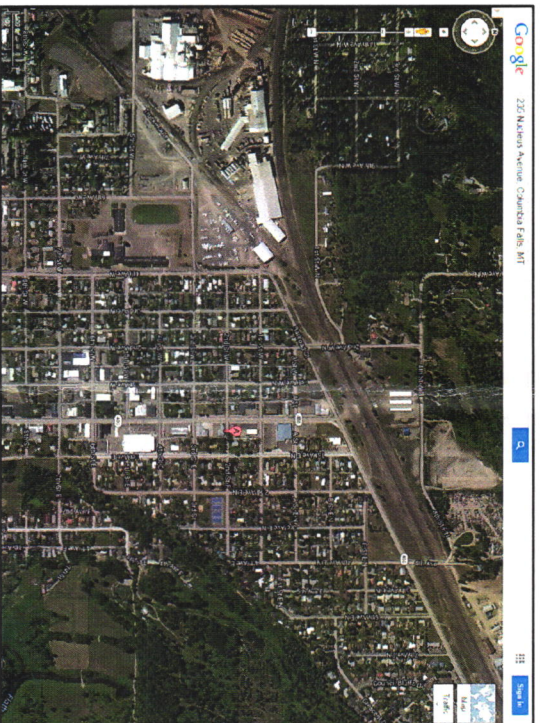

Whitefish Senior Center - Whitefish, MT

Flathead County's proposed project includes building improvements and ADA upgrades at the area Senior Centers. All of the proposed improvements for the Whitefish Senior Center are limited to the parking area and inside the Senior Center building.
